

Hopedale Medical Complex's Community Garden Project White Fence Estate in Hopedale, Illinois

Purpose of the CGP

Grow fresh fruits and vegetables for the intentional purpose of distributing whole, uncut foods and providing education to:

- Hopedale Medical Complex Cafeteria for Employees and Guests
- Distribution to HMC Physician's Patients
- Gifts in the Moment (GITM) Foundation
- School Programs that Participate in Healthy Schools, Healthy Kids

Addressing fresh food access and education are the roots of the CGP.
